V INTERNATIONAL CONFERENCE "CONCEPTUAL AND APPLIED ASPECTS OF
SCIENTIFIC RESEARCHES AND EDUCATION IN THE FIELD OF
ZOOLOGY OF INVERTEBRATES»

on 26–28 October 2020.

(Russia, Tomsk)

The first newsletter

Main goal of the conference is to create circumstances for discussing scientific achievements and trends in the field of invertebrate zoology and to attract attention of scientists to contemporary (present-day) problems in this area.

The conference program consists of five sections with oral reports and poster presentations:

«Fundamental and Applied Aspects of Invertebrate Zoology»;

«Parasitological studies»;

«Problems of beekeeping»;

«Zoological collections in science and education»;

«Current trends in higher education and early profiling».

The sections are supposed the discussion of scientific problems (on various applied and fundamental aspects) and educational problems in the field of invertebrate zoology.

Employees of research, research and practice organizations, lecturers and secondary school teachers, postgraduates and students, as well as practicing beekeepers are invited to participate.

Working languages of the conference: Russian and English.

ORGANIZING COMMITTEES

Tomsk State University, Journal «Acta biologica sibirica», Center of hygiene and epidemiology in Tomsk region.

PRELIMINARY MEMBERS OF THE ORGANIZING COMMITTEE

Chairman of the organizing committee: Matthias Hartmann, director of Natural History Museum of Erfurt (Germany).

Co-Chairs: D.S. Vorobyov, Director of the Biological Institute of Tomsk State University; **A.V. Si-Makova**, Head of the Department of Invertebrate Zoology, TSU; **A. Hamouda** professor, Head of Marine

Geophysics Department, National Institute of Oceanography and Fisheries, NIOF (Egypt); **Yu.S. Tokarev** Professor, All-Russian Institute for Plant Protection (St. Petersburg);

Technical Secretary: R.T. Bagirov, Associate Professor, Department of Invertebrate Zoology, TSU.

Executive Secretary: Yu.V. Maksimova, Associate Professor, Department of Invertebrate Zoology, TSU.

Members of the organizing committee:

Kryukov V.Yu. Doctor of Biological Sciences, Head of the Laboratory of Ecological Parasitology, ISEA SB RAS (Novosibirsk);

Sharakhov, I.V. Associate Professor in the Department of Entomology at Virginia Polytechnic and State University (Virginia Tech) in the USA. A.C. (USA)

Volkova T.V., deputy gene. Director for Research, Scientific and Practical Center for Biological Resources of the National Academy of Sciences of Belarus (Minsk, Belarus);

Bayartogtokh B., D.Sc., Prof. Department of Biology School of Arts and Sciences National University of Mongolia (Ulaanbaatar, Mongolia);

Brandorf A.Z., Doctor of agricultural Sciences, Director of the Scientific Center for Beekeeping (Ryazan reg.)

Ilyasov R.A., Doctor of Biological Sciences, Senior Researcher, Institute of Biochemistry and Genetics, IBG UFRC RAS (Ufa)

Shikhin A.V., chief physician of the center of hygiene and epidemiology in Tomsk region (Tomsk)

Medvedev S.G. Dr. Biol. Sciences, head. lab. Of Parasitology of the Zoological Institute RAS (Saint Petersburg)

Kolomin Yu.M., Associate Professor «North Kazakhstan State University named after M. Kozybaev» (Petropavlovsk, Kazakhstan);

Yakovlev R.V., Doctor of Biological Sciences Altai State University, (Barnaul);

Kerchev I.A., Ph.D. Institute for Monitoring of Climate and Ecological Systems SB RAS, (Tomsk);

Romanenko V.N., professor of TSU, (Tomsk);

Ostroverkhova N.V., associate professor of TSU (Tomsk).

THE TERMS OF PARTICIPATION

In order to participate in the conference and to publish theses, it is necessary to send an application for participation to the organizing committee address until **20.01.2020**; (registration form, provided in the end of the letter).

Applications for participation and theses could be sent to: tomsk_konferentsiya2020@mail.ru

Contact telephone number: (3822) 52-94-61, Department of Invertebrate Zoology

Each participant will have 10 minutes for oral report (20 minutes for the plenary session report). Demonstration materials can be presented with Microsoft PowerPoint 97–2003.

Regular registration fee is 1000 rubles; for foreign citizens – \$ 20, for students and postgraduates – 700 rubles, for foreign students and postgraduates – \$ 15. The rules allow no more than two reports from one author. Detailed information will be provided in the second informational letter (или newsletter).

It is planned to publish an abstract book according to the results of the conference. Selected theses will be published in the journal "**Acta biologica sibirica**" RSCI.

The abstract book is assigned with the international index ISBN, BBK and UDC indices. All articles will be edited (scientifically and technically). The editorial committee of the abstract book reserves the right to refuse publication of authors articles that do not correspond to the level of the conference.

Distribution of the abstract book to the authors is carried out by cash on demand.

The electronic version of the abstract book will be posted on the website of the Biological Institute of TSU.

REGISTRATION FORM

V International conference "Conceptual and applied aspects of scientific research and education in the field of invertebrate Zoology" Russia, Tomsk days 26 to 28 October 2020.
